

NEW PRODUCT RELEASE

TUFFSTUFF FITNESS EQUIPMENT INC. 13971 Norton Avenue, Chino, CA 91710 PH: 909-629-1600 www.tuffstufffitness.com

"X"-Lift Cross Trainer Rack

- The new multi functional "X"-Lift Cross Training Rack combines multiple equipment options into one space saving package.
- Fast and effective gun rack style half rack offers 9 separate bar catches and over 6 feet of vertical support.
- Durable zinc-plated double chin bar design offers both standard and fat grip training options and provides secure anchor point for strap and ring suspension.
- Integrated tray style rack for handy storage of dumbbells, kettlebells, medicine balls and a variety of training accessories.
- Dual weight horns and bumper racks allow multiple plate storage options for all plate sizes.
- Oversized Olympic bar holder provides space saving vertical bar storage and acts as secure anchor point for battle rope training.
- Dual integrated loop anchors and storage pegs provides convenient anchor points and storage options for battle ropes and rubber tubing.

Dimension (LWH): 67 x 69 x 83 inches
